

Residential Photovoltaic Rebate Program

CUSTOMER INFORMATION

1 **Name** (As it appears on the Utility Bill) _____
Phone Number _____ **2nd Phone Number** _____
Electric Acct # (Required) _____ **Email :** _____
Installation Address _____
Mailing Address (if different) _____
Average 3 year Annual kWh Consumption (Required) _____

INSTALLATION VENDOR INFORMATION

2 **Company Name** _____
DBA Name _____
Contact Person _____ **Phone Number** _____
Project Contact Email Address _____
Contractor License Type _____ **License Number** _____
Mailing Address _____

PHOTOVOLTAIC SYSTEM INFORMATION

3 **Array#1** **Watt Production of Array #1** _____
Type of Photovoltaic Panels _____ **Quantity of Panels** _____
Type of Inverter _____ **Quantity of Inverters** _____
Array Tilt (degrees) _____ **Array Azimuth (degrees)** _____ **Shading** _____
Array#2 (if necessary) **Watt Production of Array #2** _____
Type of Photovoltaic Panels _____ **Quantity of Panels** _____
Type of Inverter _____ **Quantity of Inverters** _____
Array Tilt (degrees) _____ **Array Azimuth (degrees)** _____ **Shading** _____

Total Estimated Watt Production based on the CEC AC Rating, per the CSI Standard PV Calculator output report (Required): _____
Anticipated percent that solar will offset previous electrical consumption: _____ %
Total Estimated System Cost: _____

ADDITIONAL DOCUMENTS

Along with the completed application, applicants must also submit :

4

- A copy of the CSI Standard PV Calculator output report for each Array
- A completed Energy Efficiency Disclosure Agreement
- Customer will be required to participate in the City of Colton Electric Utility Residential Energy Audit Program. (At no cost to the customer)
- Copy of the Single Line drawings and Site Plans showing the array(s) placement.
- 2 signed copies of the Net Metering Agreement (NEM Agreement) upon completion of the installation.

*** You are required to obtain a City of Colton Building Permit prior to installation.**

REBATE INFORMATION

5

- Residential solar installations are limited to a rebate up to a maximum of 3kW (**AC**).
- The rebate amount will not exceed 50% of the cost of the complete installation.
- Rebates will not be provided for any additional kW installed above the 3kW cap.
- Funding is limited. Rebates will be provided on a first come first served basis.
- Rebate reservation will be dependent on Colton City Council approval.
- Colton Electric Utility reserves the right to modify or discontinue the program without prior notice.
- All rebates will be issued to the customer, no third party rebates will be given.
- Rebate checks will be issued only after all work has been completed and signed off by the City of Colton Building and Planning Department, and Colton Electric Department.
- NEM agreements and Permission to Operate Letters will be executed after final net meters are installed.

CUSTOMER INTIALS ON EACH STATEMENT BELOW

6

- I understand that installing a solar system will not disconnect my service from the City of Colton electric grid. _____
- I have been informed of the estimated production of my system, and understand that all of my electric consumption may not be covered by the installation of this solar system. _____
- I understand as a Solar Net Metering Customer I will now be billed on an annual basis at the end of the fiscal year in June. _____
- I understand that the City of Colton will not allow me to install a solar photovoltaic system that exceeds my average annual energy consumption. _____
- I understand that I have 120 days to complete the installation and that no extensions will be granted. _____

SIGNATURES

The undersigned warrants, certifies and represents that the information provided in this form is true and correct to the best of my knowledge and that the installation will meet all of the City of Colton Utility terms and conditions.

- **Rebate applications MUST be submitted by the resident. Applications will not be accepted directly from the vendor**

Customer Name (Print): _____

Signature: _____ Date: _____

The above named customer agrees to abide by the rules and regulations of the City of Colton Electric Utility's Photovoltaic Rebate Program

AUTHORIZATION (For Colton Electric Utility Use Only)

_____ (Customer Name) has been granted a reservation of \$_____ for a _____ kW solar photovoltaic system. The reservation will expire on _____ (120 days from the date of application approval, NO extensions will be granted). The system is being installed at _____ Colton, CA 92324.
